## BILATERAL MEETINGS

29. 05. 2015 Friday (13:00 p.m. - 16:00 p.m.)

### DESCRIPTION

ERA is a global leader in residential real estate franchising, founded in 1972 in the USA and established in Europe in 1993. ERA Real Estate is known for its innovation in the industry and for being a dynamic forward thinking company. Today ERA in Europe operates in 13 countries and is consistently among the top residential real estate franchises. ERA Real Estate is a trusted company offering buyers and sellers of real estate real value and getting them the results they need and want. The ERA System adds value to owners of a real estate office. We are currently interviewing Master Franchise candidates for the Croatian market. ERA business support includes training and consulting to master candidates during the initial development phase and ongoing support throughout the life of the Master Franchise Agreement. Candidates should be entrepreneurial, have sufficient financial resources to properly launch the business, possess top leadership skills, be ethical and value the power of teamwork.
